Although the words *he*, *him*, and *his* are used sparingly in this manual to enhance communication they are not intended to be gender driven nor to affront or discriminate against anyone reading this text.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

The public may request copies of this document by writing to Superintendent of Documents, Government Printing Office, Washington, DC 20402-0001 or to the Naval Inventory Control Point (NAVICP) - Cog "I" Material, Attention Cash Sales, 700 Robbins Avenue, Philadelphia, PA 19111-5098.

AVIATION ORDNANCEMAN 3, 2, & 1

NAVEDTRA 12309

*1996 Edition Prepared by
AOC(AW) Michael A. Howard*

PREFACE

This Training Manual (TRAMAN) is designed to be used with both the Aviation Ordnanceman 3 & 2, NAVEDTRA 72309, and the Aviation Ordnanceman 1, NAVEDTRA 82309, Nonresident Training Courses (NRTC). The NRTCs include questions designed to lead students through the TRAMAN. The Aviation Ordnanceman 3, 2, and 1 occupational standards (OCCSTDS) were used in the preparation of this manual. The OCCSTDS are contained in the *Manual of Navy Enlisted Manpower and Personnel Classifications and Occupational Standards*, NAVPERS 18068.

Each chapter in this TRAMAN contains review questions and answers. The student should attempt to answer the questions before referring to the answers. The questions are designed to broadly cover the material in each chapter. Any questions that were answered incorrectly should be researched for thorough understanding. The questions in the TRAMAN chapters will help the student learn the information needed to successfully complete the NRTC assignments.

This TRAMAN and the NRTCs were prepared by the Naval Education and Training Program Management Support Activity, Pensacola, Florida, for the Chief of Naval Education and Training.

THE UNITED STATES NAVY

GUARDIAN OF OUR COUNTRY

The United States Navy is responsible for maintaining control of the sea and is a ready force on watch at home and overseas, capable of strong action to preserve the peace or of instant offensive action to win in war.

It is upon the maintenance of this control that our country's glorious future depends; the United States Navy exists to make it so.

WE SERVE WITH HONOR

Tradition, valor, and victory are the Navy's heritage from the past. To these may be added dedication, discipline, and vigilance as the watchwords of the present and the future.

At home or on distant stations we serve with pride, confident in the respect of our country, our shipmates, and our families.

Our responsibilities sober us; our adversities strengthen us.

Service to God and Country is our special privilege. We serve with honor.

THE FUTURE OF THE NAVY

The Navy will always employ new weapons, new techniques, and greater power to protect and defend the United States on the sea, under the sea, and in the air.

Now and in the future, control of the sea gives the United States her greatest advantage for the maintenance of peace and for victory in war.

Mobility, surprise, dispersal, and offensive power are the keynotes of the new Navy. The roots of the Navy lie in a strong belief in the future, in continued dedication to our tasks, and in reflection on our heritage from the past.

Never have our opportunities and our responsibilities been greater.

CONTENTS

CHAPTER	Page
1. Bombs, Fuzes, and Associated Components	1-1
2. Aircraft Rockets and Rocket Launchers	2-1
3. Air-Launched Guided Missiles and Guided Missile Launchers	3-1
4. Pyrotechnics	4-1
